## MAXMETAL

The standard ACM product with a proven name and durability.

**Overall thickness:** 3mm  
**Aluminum skin:** 0.15 mm/0.006"  
**Sides:** 2 sides, prepainted  
**Colors:** white, black  
**Sizes:** 4' x 8'

MM843MW  
MM843MBK

## MAXMETAL LITE

Thinner gauge aluminum skins for a more economical solution.

**Overall thickness:** 3mm  
**Aluminum skin:** 0.12 mm/0.005"  
**Sides:** 2 sides, prepainted  
**Colors:** white  
**Sizes:** 4' x 8', 4' x 10'

MM843MWLT  
MM1043MWLT

## MAXMETAL ONE

One-sided aluminum skin for one-sided projects.

**Overall thickness:** 3mm  
**Aluminum skin:** 0.15 mm/0.006"  
**Sides:** 1 side prepainted, 1 side primer white  
**Colors:** white  
**Sizes:** 4' x 8'

MM843MW1S

## MAXMETAL DP

Optimized for flatbed digital printing. Excellent ink adhesion.

**Overall thickness:** 3mm  
**Aluminum skin:** 0.15 mm/0.006"  
**Sides:** 2 sides, prepainted  
**Colors:** white  
**Sizes:** 4' x 8', 4' x 10', 5' x 10'

## MAXMETAL HD

For heavy duty applications. Great for fabrication, i.e. bending.

**Overall thickness:** 3mm  
**Aluminum skin:** 0.30 mm/0.012"  
**Sides:** 2 sides, prepainted  
**Colors:** white  
**Sizes:** 4' x 8', 4' x 10'

MM843MWH  
MM1043MWH

## MAXMETAL 6MM

When a thicker, more durable substrate is required.

**Overall thickness:** 6mm  
**Aluminum skin:** 0.21 mm/0.008"  
**Sides:** 2 sides, prepainted  
**Colors:** white, black  
**Sizes:** 4' x 8', 5' x 10'

MM846MBK  
MM1056MWDP

## MAXMETAL COLORS

Multiple options for those colorful applications.

**Overall thickness:** 3mm  
**Aluminum skin:** 0.15 mm/0.006"  
**Sides:** 2 sides, prepainted  
**Colors:** red/yellow, blue/green  
**Sizes:** 4' x 8'

MM843MRY  
MM843MBG

## MAXMETAL DECOR

Decorative finishes for sophisticated interior applications.

**Overall thickness:** 3mm  
**Aluminum skin:** 0.15 mm/0.006"  
**Sides:** finished side/white back side  
**Finish:** Brushed Silver (SS) 4' x 8' MM843MBS\*  
Brushed Silver (DS) 4' x 8' MM843MBS2\*  
Brushed Silver (SS) 5' x 10' MM1053MBS\*  
Brushed Gold (SS) 4' x 8' MM843MBGD  
Mirror Silver (SS) 4' x 8' MM843MMS

## MAXMETAL ELEMENT-STEEL

Magnetic receptive surface optimized for flatbed digital printing.

**Overall thickness:** 6mm  
**Aluminum skin:** 0.25 mm/0.01"  
**Sides:** 2 sides, prepainted galvanized steel  
**Colors:** white, black  
**Sizes:** 4' x 8'
